

You are our best customers, and more importantly, ***best friends!!***

I have the privilege of browsing through the Society Museum Store whenever I need a gift for someone that says "Montana." This great catalog features many gift and souvenir ideas, including an even larger selection of our print and canvas reproductions than were featured last year.

However, for those of you who can't make it to the store as often as I can and would like gift or book ideas, you can reach our friendly store personnel by calling the toll-free number at 1-800-243-9900.

Many of you know that during this last Legislative session, the Legislature authorized \$7.5 million in bonding authority as seed money for the Society to work towards obtaining a new \$40 million Montana History Center for our great collections, our museum, our outreach, and of course, a bigger and better Museum Store.

When you buy from our Store, or become a member of the Society, you help us toward our goal of that new Center. We appreciate all that you do for us, and in turn, want to give you the best Montana History Center that we can create.

Please remember that when you become a member, you automatically receive a 15 percent discount on purchases in this Catalog, in the Store, and the On-line Store in addition to free admission at the Museum and the Original Governor's Mansion, four issues of *Montana The Magazine of Western History* as well as other benefits. Membership can help save you money on big purchases, plus it helps to build our new history center.

Enjoy this catalog and the information in it. And, please stop by when you can to measure our progress as we launch into these exciting projects. ***Thank you for your continued support of the Montana Historical Society.***

Dr. Arnold Olsen, Director  
Montana Historical Society

## Join the Montana Historical Society today!

### *Montana Historical Society Members*
